# CHRISTMAS PLANNER

*Welcome!*

*Hey there.*

*Thanks so much for purchasing our Christmas Planner. If you don't know us yet, we're Cat & Andrew, co-founders of [millennialhomeowner.com](http://millennialhomeowner.com). We created this planner to help you navigate the holiday season.*

*There are pages in here to help you brainstorm new holiday traditions, keep your holiday shopping on track, plan meals, and more.*

*We hope this helps make your home more festive and most importantly, more relaxed this holiday season. Thanks for being a part of the Millennial Homeowner family. We're glad to have you here.*

*Best wishes,*

*Cat & Andrew*

## 5 Weeks Before Christmas

- Order your Christmas Cards if you send them out.
- Take out your holiday decorations and supplies.
- Assess what you have and decide if you need to order more wrapping paper, ribbons, lights, etc.
- Sit down and decide on a Christmas budget.
- Decide if you'll be traveling for the holidays or staying home. If traveling, book rental cars, flights, etc. as needed.

## *4 Weeks Before Christmas*

- Write out your December calendar with plans for socially distanced activities (like driving around to see holiday lights) and any other plans or goals you may have.
  - Decorate your home for Christmas, put a wreath on your front door, and break out the Santa coffee cups.
  - Set up your Christmas tree or go buy one.
  - Put up your Advent calendar (if you celebrate) or Christmas countdown calendar.
  - Make a plan for your pets if you're going out of town.
- 

## *3 Weeks Before Christmas*

- You should have received your Christmas Card order by now. Start to address them and place stamps on them.
  - Start to build your holiday meal plan and do an inventory of your pantry, so you don't have to run out and buy flour for a pie on Christmas Eve.
  - Watch a Christmas movie with your family.
  - Try out your favorite Christmas cookie recipe (It's important to taste test before the big day.)
  - Order the rest of your Christmas gifts to ensure they arrive on time.
- 

## *2 Weeks Before Christmas*

- Plan a big grocery trip with all the supplies you need to make your favorite Christmas meals.
- Start wrapping gifts so it's not so overwhelming.
- Plan a Christmas activity with your family
- Shop for stocking stuffers (for some reason, I always forget those until the last minute!)
- Crank up the Christmas music and have a dance party in your kitchen.

## *1 Week Before Christmas*

- Deep clean your house from top to bottom so you don't have too many other chores this week.
- Finish wrapping gifts and put them under the tree.
- Double check your pantry and fridge inventory to see if you need to make one more trip to the grocery store.
- Start prepping meals a few days before.
- Think about what you want to have for breakfast on Christmas morning.
- Enjoy being with your family during this special season.
